Work Experience

UI/UX & Product Designer - Design'N'Buy *(Mar 2025 - Present)*

- Led the UX redesign of DesignO, revamping a 14-year-old flagship product into a modern and scalable platform.
- Designed user-centric workflows, wireframes, prototypes, and responsive interfaces focused on improving product experience.
- Collaborated with cross-functional teams and developers to ensure seamless implementation and consistency across the product.
- Contributed to product strategy, design systems, and overall UX improvements for enterprise-level web-to-print solutions.

UI/UX Designer - MCS Ventures *(Dec 2022 - Mar 2025)*

- Designed user-friendly mobile apps, websites, and dashboards, ensuring an intuitive user experience across platforms.
- Created visually engaging social media assets and marketing creatives aligned with brand guidelines and user engagement goals.
- Developed responsive front-end interfaces using HTML, CSS, and React, focusing on usability and performance.
- Styled and customized WordPress websites while collaborating with developers to implement and refine UI/UX experiences.

Web Designer - iCONEX India *(Nov 2021 - Nov 2022)*

- Designed interactive website layouts and marketing assets to support digital campaigns and drive user engagement.
- Developed branding visuals to maintain a consistent aesthetic and messaging across digital platforms.
- Assisted in front-end development and UI improvements to create a seamless and engaging user experience.

Projects

DesignO - AI-Powered Web-to-Print Solution *(https://www.designnbuy.com/designo-online-print-product-design-tool/)*

- Led the end-to-end UX redesign of a 14-year-old flagship product, transforming it into a modern and scalable platform.
- Designed intuitive user flows, customizable product experiences, and responsive interfaces focused on usability and engagement.
- Collaborated closely with developers and stakeholders to successfully revamp and launch the new product experience.

BlockBolt: Decentralized Payment Protocol *(https://blockbolt.io/)*

- Designed and optimized websites, apps, and dashboards to enhance user experience.
- Developed merchant tools for POS, order management, and checkouts.
- Ensured cross-platform consistency across web, mobile, and tablets.
